Three years have passed since the ELCA decision on Human Sexuality. Congregations and Members of NJ Synod continue to grow into the welcome as envisioned in our statements.

This synod-wide gathering will celebrate progress made, look to the future, and encourage us all on the journey.

The Rev. Roy Riley, Bishop will begin the day with a time of reflection, others will share their journeys, and we will invite you to join us in planning for the future.

Advanced registration is encouraged. You can do this at: [www.njsynod.org](http://www.njsynod.org)
