Greedy Question, Deep Answer

Jesus warns against greed, but doesn't stop there, instead panning out to a wider observation, "This is about life! For crying out loud, if you're cutting up an inheritance that likely means someone you love died. You've just lost your father, and you might lose your brother if you fight over stuff... if you become possessed by your possessions."

🐘 Have you ever felt like that man Jesus calls a fool? How did you move away from Mammon and back to God?

🐘 What would your life look like if you prioritized the things Jesus calls you to prioritize? What would this congregation look like? The state? The country and the world?

Generous God, in abundance you give us things both spiritual and physical. Help us to hold lightly the fading things of this earth and grasp tightly the lasting things of your kingdom, so that what we are and do and say may be our gifts to you through Christ, who beckons all to seek the things above, where he lives and reigns with you and the Holy Spirit. Amen.
